

## Sample Verse

Each time we look at your picture  
You seem to smile and say  
Don't be sad but courage take  
And love each other for my sake

You have gone no further from us than  
To God and God is very near

Memories are precious possessions  
That time can never destroy  
For it is in happy remembrance  
That the heart find its greatest joy

Softly the leaves of memory fall  
Gently I gather and treasure the all  
Unseen, unheard, you are always near  
So missed, so loved, so very dear

Gone are the days we used to share  
But in our hearts you're always there  
Never more than a thought away  
Loved and remembered every day

Just a prayer from those who love you  
Just a memory ever true  
In our hearts you will live forever  
Because we thought the world of you

If I could turn back the clock  
That's just what I would do  
And I would live again those happy years  
That I shared with you

Loved with a love beyond all telling  
Missed with a grief beyond all tears

No longer in our lives to share  
But in our hearts you're always there

We think of you in silence  
We often speak your name  
What would we give to hear your voice  
And see your face again

It doesn't need a special day  
To bring you to my mind  
For days without a thought of you  
Are very hard to find

An empty place no-one can fill  
I miss you and I always will  
A prayer, a tear, are all I can give  
These you will have as long as I live

Words are few, thoughts are deep  
Memories of you we will always keep

Beautiful memories silently kept  
Of one that we loved and will never forget

Memories are like leaves of gold, they never  
tarnish or grow old, locked in our hearts you  
will always be, loved and remembered for  
all eternity

Happy times when we were together  
Hold memories that will last forever

I cannot bring the old days back  
Your smile I cannot see  
I can only treasure the memories  
Of days that used to be

## Sample Verse

A bouquet of beautiful memories  
Sprayed with a million tears  
Wishing God could have spared you  
If just for a few more years

Just a prayer from those who love you  
Just a memory ever true  
In our hearts you will live forever  
Because we thought the world of you

You gave me many things in life  
Gifts both great and small  
But most of all you gave me love  
The greatest love of all

No longer in our lives to share  
But in our hearts you're always there

You gave me many things in life  
Gifts both great and small  
But most of all you gave me love  
The greatest love of all

Our lips cannot speak of how we loved him  
Our hearts cannot tell what to say  
But God only knows how we miss him  
In our home that is lonely today

I hear his voice in the silent hours  
When the house is very still  
And feel the touch of his unseen hand  
Guiding and helping me still

I hold him close within my heart  
And there he will remain  
To walk with me throughout my life  
Until we meet again

Softly the leaves of memory fall  
Gently we gather and treasure them all  
A thought, a prayer are all we can give  
These you will have as long as we live

A special person, a special face  
Someone we love and can't replace  
Never selfish, always kind  
These are the memories he left behind

Treasured forever  
Of love and happiness shared together

Sweet and lasting memories  
Are all we have of you  
We will keep them tucked away  
Until our lives are through

Your memory is a keepsake  
With which we will never part  
God has you in His keeping  
We have you in our hearts

A special person, a special face  
Someone we love and can't replace  
Never selfish, always kind  
These are the memories he left behind
